Office of PCT Legal Administration
Randolph Building

Alexandria, Virginia 22314

Sir:

I, Neil Bonnette Graham, am a joint inventor of the subject matter claimed in the above-identified application. The present application is a U.S. National Stage application based on a corresponding PCT application. When the PCT application was originally filed, the application papers incorrectly indicated that my name was spelled "Graham Graham." In fact, my name is "Neil Bonnette Graham."

This typographical error arose without any deceptive intent on the part of me, or any of the agents/attorneys responsible for filing the PCT application. This error was noted in a U.S. Patent and Trademark Notification dated August 19, 2005. It was only after receiving the April 19 Notification from the U.S. Patent Office that I became aware that the error had originally been made when filing the PCT application.
